

Start the School Year Right:  
No Fines and New Library Cards!

The Duxbury Free Library wants to help you to start the school year right.

All overdue library materials returned to the library beginning on Monday, August 4, through Saturday September 4, will be fine-free!

So search under the bed, in your beach bags and beneath the car seats. Use this opportunity to save money! This applies to all materials returned to the Duxbury Free Library. It does not apply to existing fines, renewals, materials returned to other libraries or lost or damaged charges.

You may also replace your library card this week for free. Positive identification will be required. For more information, call the library at 781-934-2721, x108.
